## West Berkshire Council Priority Case List: Public Rights of Way legal orders April 2024 - April 2025

Outset (FPG) and Definitive Map Modification Clears (OMMOS) applications within 4, and 5 months of a process that is not proceed to the control of the process of the proce	Case Type*	Title	Parish	Ward	Description
DMMO DMMO DMMO DMMO DMMO DMMO DMMO DMMO	DMMO & PPO	Initial assessments of new queries and proposals as they come in	All	All	Provisions from the Deregulation Act 2015 are due to come into effect, that will put a statutory requirement for initial assessment decisions on Public Path Orders (PPOs) and Definitive Map Modification Orders (DMMOs) applications within 4, and 3, months, respectively. At present, many proposals and queries come in each year. These are assessed straight away, and preliminary investigations are carried out. At present the Council has a discretion to process Path Orders, although it has an obligation to determine all duly made DMMO applications. Accepted cases that are then prioritized make it onto the annual caselist. Refused cases do not appear on any caselist, but the investigation and informal assessment still take time and resource.
