Please provide details of your purchase order or how payment will be made, failure to do this may result in delay in finalising the order.

It is the **Applicant’s** responsibility to identify and bring to the attention of this Authority, any relevant information or site conditions which might need to be accommodated by the proposed Order.

Applicants **must** make themselves aware of their responsibility to ensure that anyone erecting signs and Notices on the Public Highway, or carrying out works of any description on their behalf is properly insured. Temporary signs must be designed and erected in accordance with Chapter 8 of the Traffic Signs Manual. Assistance and information will be provided on this matter if necessary.

A copy of your **Certificate of Public Liability Insurance**, to a minimum of £10Million, is required for our records as a condition of granting this Order. Please ensure that this is included with your application or forward it as soon as it is available.

Please note that a **Risk Assessment** for the works or event may be required.

If it transpires that the works will over-run the planned termination date of the Order, the applicant must appraise the Highway Authority to request additional time. If sufficient prior notice is not given to allow time to arrange the application to the Secretary of State, it will not be possible to grant an extension of time. In which case the works will be suspended and the Highway opened to traffic until Notices can be published and a new Order made.

I hereby apply for the **Temporary Traffic Regulation Order** described above and agree to reimburse West Berkshire District Council for the cost of the Order: (except when waived by prior arrangement only).
