

ZOO LICENSING ACT 1981

THE WEST BERKSHIRE DISTRICT COUNCIL HEREBY GRANTS

TO: Mr Karl Hansen

**OF: The Living Rainforest
Hampstead Norreys
Thatcham
Berkshire
RG18 0TN**

A Licence under the Zoo Licensing Act 1981 to operate a Zoo at the premises (known as):

The Living Rainforest

Dated this 8th day of December 2016

Authorised Officer

**Licence renewed 11/11/2016
Licence corrected 08/12/2016**

NOTES

1. This Licence is granted for a period of 6 years beginning on the 11 November 2016 in accordance with (Section 5(1) or (2) of the Act).
2. The issue of this Licence is without prejudice to the application of other relevant legislation.
3. The attached schedule of conditions forms a part of the Licence.

These conditions are attached to the Licence of the Secretary of State's standards of modern zoo practice specified in accordance with the powers conferred under Section 9 of the Zoo Licensing Act 1981.

The Secretary of State's suggested standard Licence Conditions shall apply.

Schedule to the Licence

MANDATORY CONDITIONS

Conservation measures for zoos

1A. The following are conservation measures to be implemented in zoos in accordance with this Act-

(a) participating in at least one of the following:

- (i) research from which conservation benefits accrue to species of wild animals;
- (ii) training in relevant conservation skills;
- (iii) the exchange of information relating to the conservation of species of wild animal;
- (iv) where appropriate, breeding of wild animals in captivity; and
- (v) where appropriate, the repopulation of an area with, or the reintroduction into the wild of, wild animals;

(b) promoting public education and awareness in relation to the conservation of biodiversity, in particular by providing information about the species of wild animals kept in the zoo and their natural habitats;

(c) accommodating their animals under conditions which aim to satisfy the biological and conservation requirements of the species to which they belong, including

- i) providing each animal with an environment well-adapted to meet the physical, psychological and social needs of the species to which it belongs and:
 - ii) providing a high standard of animal husbandry with a developed programme of preventative and curative veterinary care and nutrition;
- (d) preventing the escape of animals and putting in place measures to be taken in the event of any escape or unauthorised release of animals;
- (e) preventing the intrusion of pests and vermin into the zoo premises; and
- (f) keeping up-to-date records of the zoo's collection, including records of
 - (i) the numbers of different animals;
 - (ii) acquisitions, births, deaths, disposals and escapes of animals;
 - (iii) the causes of any such deaths; and
 - (iv) the health of the animals
