Hello,

I am writing to you to object the plans for up to 2,500 properties to be built in NE Thatcham.

I live on [REDACTED] and regularly use the green area to walk my dog.

The traffic on floral way is already very heavy and the traffic through town builds up very quickly. Sometimes it can take me a good while to get out of my road onto the main road.

It has also taken me 3 weeks to get a doctors appointment. With the increased numbers of people I am very concerned the strain it would bring onto our doctors.

I think thatcham is a lovely small town and the increased number of people will heavily change the area.

I am also concerned about the environment, there has already been a lot of houses build by Vodafone and another plan for 350 homes by the regency hotel, which may I add you have already build access before the plans have been approved, is this aloud?

Thank you for your time and I hope my vote for my objection counts.

Kind regards,

Lili Guy
