I refer to the proppsal below:

- 40 homes on [Whitehart Meadow](#). Whitehart Meadow is the area of land between the Woodfield Way estate and the M4.
- 60 homes on the site of the [old Theale sewage works](#). This would be off the end of Blossom Lane.

I have been a resident of [REDACTED] for 16 enjoyable years and wish to oppose this plan. There is only one surgery in Theale, one primary school and one secondary school. Today, I have seen a noticeboard from Croudace Group announcing building on greenfield near the A4 roundabout. Planning permission is for approximately 230 homes on this site. Please stop. Theale does not need more homes! The additional cars in the village will be dangerous as the High Street is quite narrow and 'near misses' do occur.
