To who it may Concern

We have lived in [REDACTED] for 22 years and you have been trying to build on Whitehart Meadow for all this time as well as the Sewage Works nearby.

Again we would stress that the infrastructure on the village - i.e. roads, services, doctors' surgery would be greatly affected. We always thought you could not build houses under pylons.

We strongly object to all these houses going up which will affect our nice village.

Sincerely Deirdre & John Batchelor
