2. Soundness

Please see the guidance notes for an explanation of what 'soundness' means.

Do you consider the Local Plan Review is sound?

The soundness of the LPR should be assessed against the following criteria from the National Planning Policy Framework (NPPF)

Please tick all that apply:

NPPF criteria	Yes	No
Positively Prepared: The plan provides a strategy which, as a minimum, seeks to meet the area's objectively assessed need and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where practical to do so and is consistent with achieving sustainable development		No
Justified: the plan is an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence		No
Effective: the plan is deliverable over the plan period and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground		No
Consistent with national policy: the plan should enable the delivery of sustainable development in accordance with the policies of the NPPF		No

Please give reasons for your answer:

There is no reason to build so many houses in this area. Thatcham Colthrop and Midgham are not big enough for this sort development. The thing is why should we be a resting place for people who will be working in Reading and London who without knowing it spoil our part of Berkshire. .
