3. If you have answered ‘No’ to question 2a or 2b above, please provide details of why you consider the Proposed Main Modification or Proposed Policy Map Change is not legally compliant or is unsound, including any changes you consider necessary to make the Plan legally compliant or sound.

You will need to say why this change will make the Local Plan Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

In relation to the inclusion of Henwick Park (CA12) and Regency Park (CA17) included in the Local Plan—despite our Neighbourhood Development Plan (NDP) and significant community concerns about infrastructure, flooding, and the environment.

I support Cold Ash Parish Councils rejection of inclusion of both CA12 and CA17. Firstly, the lack of consultation by West Berkshire Council with Cold Ash Parish, particularly in relation to the Neighbourhood Development Plan (NDP) that was adopted by West Berkshire in the summer of 2024. This goes against the Localism Act 2011, I believe enshrined in law. These sites are not included in that plan for development, and this land is not suitable for additional housing.

The unsuitability of the site is due to a number of reasons, including:
the impact on the environment;
a lack of local infrastructure, i.e. Doctors, Dentists etc;
excessive traffic would put further pressure on the roads in and around Cold Ash;
flood defences situation – water would flow more quickly into Thatcham, risking flooding;
urbanisation potential;
location and possible damage to a Grade II listed structure
