I have read with HORROR the amount of housing you are proposing to inflict on the once beautiful little village of Thatcham, The only housing we need is for local people to be able to have a property to live in, Social or Private, Not for illegal economic migrants, Hopefully you will be out of office soon & be replaced with people who care about local people, This insane amount of housing will be built at your peril, Kier Starmer is the instigator of this madness who hates Britain & the British people & is fast bringing this country to its knees, NO MORE HOUSING except for local people, VOTE REFORM PARTY AT THE NEXT ELECTION, Regards,
Michael Davies, [REDACTED]
