The inclusion of the above is, in my opinion, unsound.

I have submitted objections to previous planning proposals, in 2009, 2010, 2014 and 2021. Each of those proposals were turned down and the justification for why they were turned down applies to any new attempt to build any housing on that site.

I am not a NIMBY and did not make any objections to new housing developments that have taken place in my area, such as near Halls Farm and Long Lane.

Yours sincerely

Allan Harries
